

Surveillance proposal consultation document

2023 surveillance of Acute kidney injury: Prevention, detection and management (NICE NG148)

The consultation includes the following questions:

1. Do you agree with temporarily suspending recommendation 1.1.5 in the NICE guideline on acute kidney injury (NG148) while the update of the guideline is in progress?

If you disagree, please provide the rationale as to why.

2. Will temporarily suspending recommendation 1.1.5 in the NICE guideline on acute kidney injury (NG148) cause any harm to patients?

3. To mitigate the absence of recommendation 1.1.5, do you agree with the proposed added text to recommendation 1.1.6?

If you disagree, please provide the rationale as to why.

Please note: Responses to consultation questions will need to be submitted online, by signing into your NICE account. The consultation closes at **5pm on Friday, 16th June 2023**.
