EXCELLENCE
SPECIAL HEALTH AUTHORITY**

HEPATITIS B

On 30 November and 14 December 2010 the Department of Health formally requested the National Institute for Health and Clinical Excellence to prepare a Quality Standard and Clinical Guideline as described in the box below.

Remit:

To produce a Quality Standard on diagnosis and management of hepatitis B, all ages

To produce a clinical guideline on the diagnosis and management of hepatitis B in children, adolescents and adults

Suggested working titles for NICE:

Full Title: Hepatitis B: the diagnosis and management of hepatitis B in children, adolescents and adults

Short Title: Hepatitis B
