AUTISM:THE MANAGEMENT OF AUTISM IN CHILDREN

On 30 November 2010 the Department of Health formally requested the National Institute for Health and Clinical Excellence to prepare a Clinical Guideline as described in the box below.

Remit:

To produce a clinical guideline in collaboration with the Social Care Institute for Excellence on the management of autism spectrum disorder in children and young people

Suggested working titles for NICE:

Full Title: Autism: the management of autism spectrum disorders in children and young people

Short Title: Autism: management of autism in children and young people
