Shelley Raine	21.11.12	Paid consultancy work for drug companies who make contraceptive products.	None	None	Nurse specialist in contraception who has developed, advised on and used PGDs
Stephen Riley	26.11.12	None	None	None	<p>I am the Director of Medicines Optimisation Ltd providing medicines optimisation services, Community Pharmacy services and training / consultancy services. Within my work with Medicines Optimisation Ltd, I worked on the Pharmacy Roadmap Project with the Pharmacist Defence Association which makes recommendations on how Pharmacy Services are delivered. I am also involved in working on a project forming a collaborative partnership between GP practices and Community Pharmacies to review asthma patients. This may involve the use of a PGD.</p> <p>These are only potential interests and should not raise any actual conflicts.</p>
