

**Surveillance proposal consultation document**  
**2023 surveillance of Rheumatoid arthritis in adults:**  
**management (NICE NG100)**

The consultation includes the following questions:

1. Do you agree with the proposal to update section 1.8 – non-pharmacological management?

Please could you let us know if you agree or disagree (yes/no) and provide your comments

2. Do you agree with the proposal not to update the remaining sections of the guideline?

Please could you let us know if you agree or disagree (yes/no) and provide your comments

3. Do you have any comments or information regarding the use of MRI in current clinical practice for:

- a. Diagnosing RA?
- b. As monitoring aspect of the treat-to-target strategy?

Please could you let us know if you have any comments.

4. Do you have any comments or information on the utility of anti-CCP for diagnosing RA in current practice? Is the use of anti-CCP in current practice still in line with current NICE recommendations?

Please could you let us know if you have any comments.

5. Do you have any comments on areas excluded from the scope of the guideline?

Please could you let us know if you have any comments.

6. Do you have any comments on equality issues?

Please could you let us know if you have any comments.

**Please note:** Responses to consultation questions will need to be submitted online, by signing into your NICE account. The consultation closes at 5pm on Monday 11<sup>th</sup> December 2023.
