Notes

1. RB welcomed the group to the meeting of this guideline development group (GDG). Apologies were received from Judy Shakespeare and Paul Jacklin
2. RB asked the group for any new declarations of interest.
 MM declared:
Personal pecuniary: expenses to attend annual steering group re HAPO follow up study funded by NIH (US).
 RB declared:
Personal pecuniary: meeting expenses from the European Association for Study of Diabetes (EASD) to attend an EASD meeting.
 Declarations are kept on record at the NCC-WCH and will be published in the full guideline.
 The minutes of the previous meeting were accepted as an accurate record of the meeting.
3. SBR presented the new evidence for continuous glucose monitoring (the list of Excluded Studies, the Evidence Tables, the GRADE Profiles summarising the evidence and the Evidence Summary and Recommendations). During the presentations the group had an opportunity to discuss the evidence presented and ask questions. Notes of this discussion

were made live on screen. The GDG drafted recommendations and based on the evidence presented at this meeting.

4. SBR presented the evidence for timing of birth (the list of Excluded Studies, the Evidence Tables, the GRADE Profiles summarising the evidence and the Evidence Summary and Recommendations). During the presentations the group had an opportunity to discuss the evidence presented and ask questions. Notes of this discussion were made live on screen. The GDG drafted recommendations and research recommendations based on the evidence presented at this meeting and previous meetings.
5. RB informed the GDG that new WHO diagnostic criteria have been published. RB thanked the participants for attending and closed the meeting.

Date, time and venue of the next meeting

Tuesday 12th November 2013, 10:00 – 16:30 at the Royal College of Obstetricians and Gynaecologists, London
