

Evidence reviews

Evidence review

Published: 7 May 2024

www.nice.org.uk

The following document contains the evidence used to develop the 2011 recommendations 1.2.2 and 1.2.48:

- [Full guideline for common mental health disorders](#)

This document preserves the evidence reviews and committee discussions for areas of the guideline before 2018:

- [Full guideline](#)

Other supporting evidence

- [Evidence update](#)
