**Notes**

1. JM welcomed the group to the first meeting of this GDG. Apologies were received from Jude Mahadanaarachchi and Sarah Bermingham. The Chair asked all GDG members to declare any relevant conflicts of interest. All declared that they knew of no personal specific, personal non-specific, non-personal specific or non-personal non-specific interest in the development of this guideline.
2. The minutes from the previous meeting were reviewed and agreed as a true and accurate record of proceedings.
3. The GDG discussed and set minimally important differences for clinical outcomes.
4. The Chair introduced the senior research fellow at NCGC, Katrina Sparrow, who gave presentations on supervised and unsupervised exercise, and endovascular and surgical
