In attendance:

NICE Staff: None		
---------------------	--	--

Observers:

Riaz Agha	Core surgical trainee, NICE	
Robert Pitcher	National Clinical Guideline Centre Research Fellow	

Notes

1. The Chair welcomed the group to the third meeting of this GDG. Apologies were received from Taryn Krause, Jill Cobb, Claire Turner, Jill Parnham and Victoria Kelly. The Chair asked all GDG members to declare any relevant conflicts of interest. All declared that they knew of no personal specific, personal non-specific, non-personal specific or non-personal non-specific interest in the development of this guideline.
2. The minutes of the last meeting of this group were agreed as a true and accurate account of the meeting.
3. An update was then given to the GDG on progress since the last meeting.
4. The Chair introduced the Senior Research Fellow at NCGC, Katrina Sparrow, who

Notes

presented the clinical evidence on supervised exercise vs unsupervised exercise, endovascular or surgical treatment. The GDG discussed the issues presented in relation to this guideline. The Chair thanked KS for her presentation.

5. The Chair gave a brief presentation on peripheral arterial disease and treatment options.
6. The GDG briefly discussed the NICE technology appraisal on cilostazol, naftidrofuryl oxalate, pentoxifylline and inositol nicotinate for intermittent claudication in people with peripheral arterial disease.
7. The Chair introduced the health economist at NCGC, Sarah Bermingham, who presented the draft health economics model for supervised exercise, and took questions from the group. The GDG discussed the issues presented in relation to this guideline. The Chair thanked SB for her presentation.
8. The Chair introduced KS, who presented on network meta-analysis and took questions from the group. The GDG then discussed the issues presented in relation to this guideline. The Chair thanked KS for her presentation.
9. The Chair introduced KS and SB who presented the clinical and cost effectiveness evidence for angioplasty versus stents for the treatment of peripheral arterial disease, and took questions from the group. The GDG then discussed the issues presented in relation to this guideline. The Chair thanked KS and SB for their presentations.
10. The Chair closed the meeting and thanked everyone for attending.

Date, time and venue of the next meeting

Tuesday 1st February 2010 at National Clinical Guideline Centre, 5th Floor, Great Portland Street, London W1W 5QZ.
