## Notes

### 1. **Welcome and declarations of interest**

The chair welcomed the group to the second psoriasis guideline development group meeting. Apologies were received from Natasha Smeaton and Claire Strudwicke.

The chair requested updates to the existing declarations of interest from GDG members. No new interests were declared. Two GDG members declared interests between GDG1 and GDG2. Christine Bundy declared a personal pecuniary interest and a personal non-pecuniary interest. Karina Jackson declared two personal pecuniary interests.

The register of declarations of interest was made available to the GDG chair. The chair reviewed the declarations of interest and deemed that none were in conflict with the agenda topics and clinic questions under discussion at the meeting.

### 2. **First review question for GDG2**

The GDG discussed the evidence for tools to assess severity and impact of psoriasis.

### 3. **Health economic prioritisation**

The group discussed and agreed which questions would be a high priority for original health economic modelling.

### 4. **Second review question for GDG2**

The group discussed the evidence for risk factors for hepatotoxicity in people with psoriasis who are taking methotrexate.

### 5. **Review protocols and outcome measures for review**

The group discussed the outcome measures that would be used for evidence reviews.

### 6. **Review minutes of GDG1**

The minutes were agreed to be a true and accurate record of the meeting.

### 7. **Any other business**

None

### 8. **Summary of next steps**

The Chair thanks the GDG members for attending and outlined the work plan for GDG3.
