University College London

University College London has produced a [competence framework](#) that supports the recommendations relating to psychological interventions in the NICE guideline on psychosis and schizophrenia in [adults](#) and [young people](#), and quality standards for [psychosis and schizophrenia in adults](#) and [bipolar disorder in adults](#).

Endorsed tools are complementary information from sources outside of NICE. This tool has been developed by [University College London](#) and is not maintained by NICE. NICE has not made any judgement about the quality and usability of the resource. In the event of any issues or errors, please contact University College London.
