1. Welcome and apologies

MSM welcomed the group to the meeting. Apologies were received from NJ and DW.

Declarations of interest

No new conflicts of interest were declared. Declarations of interest are kept on file at the NCC-WCH and will be published in the full guideline.

Minutes

The minutes of the 4th GDG Meeting were approved by the GDG as an accurate record of the meeting.

2. GRADE software

A short presentation was given on the use of GRADE software for the assessment of evidence.

**3. Introduction on previous recommendations
Clinical questions 7c & 7d on fluid management of gastroenteritis**

The GDG addressed question 7c on severe dehydration and the evidence on this question was presented. Changes were made to the wording of the draft translation and recommendation.

The GDG then addressed question 7d on hypernatraemic dehydration and the evidence with regards to this question was presented. A draft translation and research recommendation were presented, which was discussed and amended.

Possible recommendations were discussed but not finalised.

4. Clinical question 6

The evidence for preventing dehydration was presented and a recommendation was drafted.

- 5. Health economics
Decision tree analysis

PJ gave a presentation on the health economic aspects of the guideline.

MSM thanked the participants for attending and closed the meeting.
