Alex Haines (AH)	Senior Health Economist, NGC
Carl Roobottom (CR)	Consultant Radiologist
Ashwini Sreekanta (AS)	Research Fellow, NGC
Graham Stiff (GS)	General Practitioner
Ruth Wong (RW)	Information Scientist, NGC

Notes

1. The Chair welcomed the group to the fifth meeting of this GC. Apologies were received from KB, LC, AC, BD, AH, CR, AS, GS and RW.
2. The Chair reviewed and requested updates to the declarations of interest register. The Chair declared that in relation to previous declarations recorded in the DOI register, no actions applied. No new declarations were received.
3. The minutes and notes from the previous meeting were agreed as an accurate record of the meeting.
4. SS presented the updated clinical evidence for high-sensitivity troponins (DTA and test and treat). LR presented a summary of the economic modelling for high-sensitivity troponins used in NICE DG15 guidance. The GC discussed the evidence and recommendations.
5. The GC reviewed and finalised the new and existing recommendations for acute chest pain in CG95.
6. AOB: there was no other business.

Date, time and venue of the next meeting:

GC6: Friday 05 August 2016, 13:00-16:30, Boardroom, NGC
