**Agenda Item**

**Discussion / Outcome**

participation in the clinical trial with Allergan never materialised. He declared that he knew of no personal pecuniary interest, personal family interest or personal non-pecuniary interest above those declared at the previous meeting.

JN, JS, JR, AB, PJ, RL declared they knew of no personal pecuniary interest, personal family interest, non-personal pecuniary interest or personal non-pecuniary interest, above those declared at previous meetings.

**NCC-AC Staff:**

CJ, LYC and EF all declared that they knew of no personal pecuniary interest, personal family interest, non-personal pecuniary interest and personal non-pecuniary interest.

JH declared a non-personal pecuniary interest, funding for NCGC from NICE. She declared that she knew of no personal pecuniary interest, personal family interest or personal non-pecuniary interest.

The chair noted that AW and AB personal pecuniary interests would require that they would only be present in an observatory role during discussion of the pharmacologic recommendations.

The chair noted that no action was required on other member's interests as they were not considered to be a conflict of interest warranting their withdrawal from the meeting.
