**Agenda Item**

**Discussion/Outcome**

1. Introductions and apologies for absence (Chris Chapple – (Chair)

CC welcomed everyone to the 8<sup>th</sup> LUTS GDG Meeting.  
Apologies were received from JR, JN, ML and AB.

Declaration of interests(Chair)

CC asked each GDG member to declare their interests verbally and asked them to complete their forms. Each attending GDG member declared his/her interests in front of all those present.

CC, RL, WT, JS, AW, MS, TL and PJ declared they knew of no personal pecuniary interest, personal family interest, non-personal pecuniary interest or personal non-pecuniary interest, above those declared at previous meetings.

**NCC-AC Staff:**

CJ, EF, KH, LYC and KM all declared that they knew of no personal pecuniary interest, personal family interest, non-personal pecuniary interest and personal non-pecuniary interest.

JH declared that she knew of no personal pecuniary interest, personal family interest, personal non-pecuniary interest. She did declare a non-personal pecuniary interest, manages the NCC-AC which is funded by NICE.

The chair noted that no action was required on these personal pecuniary interests as none of the products involved were discussed at this meeting.

<u>Agenda Item</u>	<u>Discussion/Outcome</u>
2. Minutes of the last meeting	The minutes of the last meeting were reviewed by the group and were accepted as an accurate record.
3. Review of clinical and economic evidence on laser surgery	The NCC presented the systematic reviews for the following comparisons with Holmium laser enucleation of the prostate (HoLEP) to the group: <ul style="list-style-type: none"><li>• HoLEP versus transurethral resection of the prostate (TURP)</li><li>• HoLEP versus open prostatectomy (OP)</li><li>• HoLEP versus transurethral incision of the prostate (TUIP)</li></ul>
4. Workshop on evidence and recommendations	EF presented the economic model from the HTA report to the group. A workshop was completed where the GDG worked in three sub-groups to discuss the evidence on HoLEP.
5. Results of workshop on evidence and recommendations	Each group reported back to the GDG a summary of their discussions in the sub-groups.
6. Review of clinical and economic evidence on laser v TURP	LYC presented the systematic review for laser coagulation versus TURP. KH presented the systematic review for laser vaporisation versus TURP.
7. Review of clinical and economic evidence on laser continued	CJ presented the systematic review for laser versus transurethral microwave thermotherapy (TUMT).  LYC presented the evidence for laser versus transurethral vaporisation of the prostate (TUVVP).
8. Work plan	CJ presented the work plan for the next meeting.
9. Any other business	There was no other business discussed.
10. Close and date of the next meeting	CC thanked everyone for attending and closed the meeting. The next meeting will take place on <b>Thursday 27<sup>th</sup> November 2008 in the Ronald Raven Room at the Royal College of Surgeons of England.</b>
