Benign prostatic hyperplasia

On 20 March 2007 the Department of Health formally requested the National Institute for Health and Clinical Excellence to prepare a clinical guideline as described in the box below. Also attached is additional background information presented to the Advisory Committee on Topic Selection, plus any other relevant information.

Remit: To prepare a clinical guideline on the management of benign prostatic hyperplasia.

Suggested working titles for NICE:

Full Title: Benign prostatic hyperplasia - management

Short Title: Benign prostatic hyperplasia

Attached: Lower urinary tract symptoms in men
