NICE guidelines

Equality impact assessment

Neonatal Jaundice Diagnosis

**Guideline development: before consultation (to be
completed by the developer before draft guideline
consultation)**

3.1 Have the potential equality issues identified during the scoping process been addressed by the Committee, and, if so, how?

n/a

3.2 Have any **other** potential equality issues (in addition to those identified during the scoping process) been identified, and, if so, how has the Committee addressed them?

No equality issues identified

3.3 Were the Committee's considerations of equality issues described in the consultation document, and, if so, where?

n/a

3.4 Do the preliminary recommendations make it more difficult in practice for a specific group to access services compared with other groups? If so, what are the barriers to, or difficulties with, access for the specific group?

No

3.5 Is there potential for the preliminary recommendations to have an adverse impact on people with disabilities because of something that is a consequence of the disability?

No

3.6 Are there any recommendations or explanations that the Committee could make to remove or alleviate barriers to, or difficulties with, access to services identified in questions 3.1, 3.2 or 3.3, or otherwise fulfil NICE's obligation to advance equality?

No
