Recognition and treatment of neonatal jaundice

On 20 March 2007 the Department of Health formally requested the National Institute for Health and Clinical Excellence to prepare a clinical guideline as described in the box below. Also attached is additional background information presented to the Advisory Committee on Topic Selection, plus any other relevant information.

Remit:

To prepare a clinical guideline on the recognition and treatment decisions of babies who are jaundiced

Suggested working titles for NICE:

Full Title: Recognition and treatment of neonatal jaundice

Short Title: Neonatal jaundice

Attached: Neonatal jaundice
