Notes

1. **Welcome and declarations of interest**

The Chair welcomed the group to the tenth meeting of this GDG. Apologies were received from AK and MM.

The Chair reviewed and requested updates to the declarations of interest register. No new declarations of interest were received and therefore no further action was required.

2. **GDG9 minutes**

The minutes of the last meeting were agreed as a true and accurate record.

3. **Review linking evidence to recommendations**

The GDG reviewed the linking evidence to recommendations for history of atopic disorders, signs & symptoms, monitoring questionnaires and monitoring adherence.

4. **Evidence review: telehealthcare with healthcare professional involvement**

The GDG reviewed the evidence on the clinical and cost effectiveness of telehealthcare with healthcare professional involvement for monitoring asthma control.

5. **Evidence review: telehealthcare with no healthcare professional involvement**

The GDG reviewed the evidence on the clinical and cost effectiveness of telehealthcare without healthcare professional involvement for monitoring asthma control.

6. **Evidence review: inhaler technique**

The GDG reviewed the clinical and cost effectiveness evidence of monitoring inhaler technique.

7. **Evidence review: blood eosinophils for monitoring**

The GDG reviewed the clinical and cost effectiveness evidence of blood eosinophils for monitoring asthma control.

8. **Evidence review: challenge tests for monitoring**

The GDG reviewed the clinical and cost effectiveness evidence of challenge tests for monitoring asthma control.

9. **HE model: results**

The GDG was given a presentation on the results of the health economic model for asthma diagnosis.

10. **Any other business**

None.

Date, time and venue of the next meeting

Tuesday 22 July 2014, 1000-1600 at NCGC, 180 Great Portland Street, London W1W 5QZ
