York Health Economics Consortium

##### **Others**

Department of Health  
Healthcare Improvement Scotland  
Medicines and Healthcare products Regulatory Agency  
NHS England  
The Dirac Foundation

##### **Definitions:**

##### Stakeholders

Individuals or organisations interested in a topic being evaluated by the Diagnostics Assessment Programme, and who register to become a stakeholder. For example, companies, national organisations that represent healthcare professions who operate or use the results of the technology, national patient or carer organisations, NHS service providers and commissioners, statutory organisations and research organisations.

##### External Assessment Group (EAG)

An independent academic group commissioned by the NIHR Evaluation, Trials and Studies Coordinating Centre (NETSCC) that prepares a systematic review of the clinical and cost effectiveness of the technology(ies).
