Helen Parretti	GP	Direct non-financial, professional and personal	Working with the Association for the Study of Obesity to develop a toolkit/checklist to help GP surgeries deliver better care to people with obesity.	TBC	March 2022	Ongoing	Non-specific Declare and participate Rationale: Project is not to generate new data but

							provide surgeries with the tools they need
Helen Parretti	GP	Direct non-financial, professional and personal	Conducting a non-funded study exploring GP's knowledge and experiences of referrals for bariatric surgery.	TBC	March 2022	Ongoing	Non-specific Declare and participate Rationale: The scope is not looking at bariatric referrals from a GP experience perspective
Helen Parretti	GP	Direct non-financial, professional and personal	Working on developing and having endorsed (by RCGP/BOMSS) various guidance for GPs and patients for post bariatric surgery care	March 2022	March 2022	Ongoing	Declare and participate. Rationale: Not specific to the scope of the guideline.
Helen Parretti	GP	Direct non-financial, professional and personal	Talk "Bariatric surgery: the pros and cons" and panel discussion on obesity for Norwich Institute of Healthy Ageing	February 2022	March 2022	September 2022	Declare and participate Rationale: Not specific to the scope of the guideline. Referral criteria not discussed.
Helen Parretti	GP	Direct non-financial, professional and personal	Contributed questions to a panel discussion on Nutrition in Bariatric Surgery in Feb, for TUGS (an upper GI society).	February 2022	March 2022	February 2022	Declare and participate Rationale: Not specific to the scope of the guideline regarding bariatric surgery referrals. Contributed questions but did not lead on discussion.

Helen Parretti	GP	Direct non-financial, professional and personal	Contributed to an NHSE consultation on outpatient pathways for general endocrinology.	February 2022	March 2022	March 2022	Declare and participate. Rationale: Not specific to the scope of the guideline.
Helen Parretti	GP	Direct non-financial, professional and personal	Speaking at the ASO East of England obesity study day on following up bariatric surgery patients in primary care.	March 2022	March 2022	June 2022	Declare and participate. Rationale: Not specific to the scope of the guideline on bariatric surgery due to dealing with follow-up and not referrals.
Helen Parretti	GP	Direct non-financial, professional and personal	Gokal K, Amos-Hirst R, Moakes CA, Sanders JP, et al. Views of the public about Snackivity™: a small changes approach to promoting physical activity and reducing sedentary behaviour. BMC Public Health 2022;22, 618	March 2022	March 2022		Declare and participate. Rationale: Not specific to the scope of the guideline.
Helen Parretti	GP	Direct non-financial, professional and personal	Reviewed and co-author on a patient safety alert written regarding use of SGLTi medications pre and post bariatric surgery on behalf of the BOMSS patient safety committee and co-author on letter to editor of Obesity Surgery Journal regarding this issue.	March 2022	March 2022	March 2022	Declare and participate Rationale: Not specific to the scope of the guideline.

Helen Parretti	GP	Indirect financial	Was a part of the organising committee for the British Obesity and Metabolic Surgery Society annual meeting in May. The meeting is sponsored by various companies as is usual for academic meetings.	March 2022	March 2022	May 2022	Non-specific Declare and participate Rationale: Organisational/administrative role.
Helen Parretti	GP	Direct non-financial, professional and personal	Academic presentation giving an overview of bariatric surgery for the Norwich Institute for Healthy Ageing. Topics covered were types of procedure, how it works, eligibility (based on current NICE criteria) overview of benefits, long-term follow-up and where it fits in current UK weight management services.	March 2022	March 2022	March 2022	Specific Declare and participate. Rationale: Academic event giving a broad overview of the costs/benefits of bariatric surgery and its current place in WM services.
Helen Parretti	GP	Direct financial	Works at Fakenham Weight Management Service, which has now been recommissioned and is now working for OneNorwich Practices in Weight Intervention Norwich	March 2022	March 2022	Ongoing	Declare and participate Rationale: Salaried employment in the NHS Oviva have some apps for weight management and adult nutrition that are not in scope for this guideline.
Helen Parretti	GP	Direct non-financial, professional and personal	Patterns of adult weight management referrals in primary care in England –	May 2022	March 2022	May 2022	Specific Declare and participate

			European Congress on Obesity poster presentation				Rationale: At each meeting the chair will review this interest to determine whether there are any potential conflicts of interest relating to this specific area and consider the actions needed.
Helen Parretti	GP	Direct non-financial, professional and personal	Is it time to throw out the weighing scales? Implicit weight bias among healthcare professionals working in the UK bariatric services and their attitude towards non-weight focussed approaches – European Congress on Obesity oral presentation	May 2022	March 2022	May 2022	Specific Declare and participate Rationale: At each meeting the chair will review this interest to determine whether there are any potential conflicts of interest relating to this specific area and consider the actions needed.
Helen Parretti	GP	Direct financial	Organising and delivering an educational one-day event on “Service Innovation in bariatric surgery in the UK” for the British Obesity and Metabolic Surgery Society, supported by Johnson & Johnson – honorarium received	October 2022	September 2022	October 2022	Declare and participate Rationale: Is organising and chairing only plus discussion is on new innovations and not bariatric referrals, so not in scope.
Helen Parretti	GP	Direct non-financial, professional and personal	Talk given at Obesity UK on the current tiered system of referral criteria for bariatric surgery.	September 2022	September 2022	September 2022	Declare and participate Rationale: Existing practice/options discussed

							only, not new recommendations
Helen Parretti	GP	Direct financial	Expenses paid to attend an event on setmelanotide by Rhythm Pharmaceuticals.	October 2022	September 2022	October 2022	Declare and participate Rationale: Setmelanotide is not in the scope of this update.
Helen Parretti	GP	Direct financial	Clinical associate professor in primary care, University of East Anglia	October 2019	September 2022	Ongoing	Declare and participate Rationale: Salaried employment in the NHS providing NHS services.
Helen Parretti	GP	Direct non-financial, professional and personal	Conversation with the Office for Life Sciences on behalf of the Obesity Empowerment Network – discussion of patient engagement with the obesity mission and patient perspectives on obesity.	October 2022	October 2022	October 2022	Declare and participate Part of ongoing work with the obesity empowerment network and not specific to the scope of the guideline.
Helen Parretti	GP	Direct financial	Salaried GP, Beccles Medical Centre	September 2020	November 2022	Ongoing	Declare and participate Rationale: Salaried employment in the NHS providing NHS services.
Helen Parretti	GP	Direct non-financial, professional and personal	Talk for local diabetes network on obesity management	November 2022	November 2022	November 2022	Declare and participate Rationale: Talk is on existing practice and published recommendations only

Helen Parretti	GP	Direct non-financial, professional and personal	Funding for feasibility work on exploring pregnancy outcomes for women post-bariatric surgery, funded by research capability funding from NWICB	November 2022	November 2022	March 2023	Declare and participate Rationale: Not specific to the scope of the guideline
Helen Parretti	GP	Direct non-financial, professional and personal	Participation in an NHSE working group on post-bariatric surgery follow-up.	November 2022	November 2022	November 2022	Declare and participate Rationale: Not specific to the scope of the guideline
Helen Parretti	GP	Direct non-financial, professional and personal	Author - S. Abbott, E. Shuttlewood, S.W. Flint, P. Chesworth, H.M. Parretti, "Is it time to throw out the weighing scales?" Implicit weight bias among healthcare professionals working in bariatric surgery services and their attitude towards non-weight focused approaches, eClinicalMedicine, 2023, https://doi.org/10.1016/j.eclim.2022.101770 .	December 2022	December 2022		Declare and participate Rationale: Not specific to the scope of the guideline
Helen Parretti	GP	Direct non-financial, professional and personal	Author - Clinical effectiveness of very low energy diets in the management of weight loss Parretti, Helen; Jebb, Susan; Johns, David ; Lewis, Amanda ; Christian-Brown, Anna ; Aveyard, Paul	March 2016	November 2022		Declare and participate Rationale: Systematic review used as a source of information to identify studies that match review protocol. Out of 12 studies included in the SR, 3 studies were identified'

Helen Parretti	GP	Direct financial	Teaching for Royal College of General Practitioners on post-bariatric surgery follow-up – Honorarium received	March 2023	February 2023	March 2023	Declare and participate. Rationale: Post-surgery follow-up is out of scope.
Helen Parretti	GP	Direct non-financial, professional and personal	Participating in a panel for Leeds Beckett Obesity Institute on 3/3/23 as part of World Obesity Day events, no payment	March 2023	February 2023	March 2023	Declare and participate. Rationale: Questions from the panel have been provided in advance. Most are general and only one leans on scope. Member knows to direct to existing info and avoid unpublished recs.
Helen Parretti	GP	Direct non-financial, professional and personal	Taking part in a series of short talking-head videos on understanding how life events effect weight and obesity for BOMSS as part of World Obesity Day. Supported by Johnson and Johnson.	March 2023	February 2023	March 2023	Declare and participate. Rationale: Content of the video is general information and not specific to the scope of the guideline.
Helen Parretti	GP	Direct non-financial, professional and personal	Author: Daley AJ, Griffin RA, Moakes CA, Sanders JP, Skrybant M, Ives N, Maylor B, Greenfield SM, Gokal K, Parretti HM, Biddle SJH, Greaves C, Maddison R, Mutrie N, Esliger DW, Sherar L, Edwardson CL, Yates T, Frew E, Tearne S and Jolly K. Snacktivity™ to promote	March 2023	April 2023	March 2023	Declare and participate. Rationale: Review was not included as it is just a protocol and qualitative only.

			physical activity and reduce future risk of disease in the population: protocol for a feasibility randomised controlled trial and nested qualitative study. Pilot and Feasibility Studies 2023 https://doi.org/10.1186/s40814-023-01272-8
