1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the 1st meeting on Lower urinary tract symptoms (update). The Committee members and attendees introduced themselves.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included: introduction to NICE, the NGA, and the discussion of review protocols.

2. Confirmation of matter under discussion, and declarations of interest

The Chair asked everyone to verbally declare any interests that have risen since the last meeting. No new interests were declared.

3. Minutes of last meeting

Not applicable – 1st meeting

4. Presentations

The Chair introduced Tim Reeves, Guideline Lead who gave a presentation to introduce the team and provide an overview of the guideline development process, and who answered questions from the group.

The Chair introduced Nick Staples, NICE Guideline Commissioning Manager who gave a presentation to introduce NICE guidelines, and who answered questions from the group.

The Chair introduced Jen Francis, Business Administrator who gave a presentation on NICE's travel and expenses policy.

The Chair reintroduced Tim Reeves, Guideline Lead who gave a presentation on Declarations of interest.

The Chair introduced Feras Al Jaafari, Topic Adviser who gave a presentation on the guideline scope, and who answered questions from the group.

The Chair introduced Mia Schmidt-Hansen, Senior Systematic Reviewer who gave a presentation on the questions to be included in the guideline, and led a discussion with the group.

The Chair reintroduced Mia Schmidt-Hansen, Senior Systematic Reviewer who gave

a presentation on review protocols for the following review questions:

2.1: What are the information and support needs of people who participate in harmful gambling, their families, friends and others close to them?

2.2: What is the effectiveness and cost-effectiveness of anticholinergics combined with beta-3 agonists for the treatment of overactive bladder in people with a prostate?

3.1: What is the effectiveness and cost-effectiveness of surgical treatments (for example, transurethral resection of the prostate, laser endoscopic enucleation of the prostate or steam vapour treatment) for the treatment of LUTS secondary to BPE?

5. Questions and discussion

N/A

6. Any other business

The dates of committee meetings beyond those already booked was raised by committee members. Tim Reeves, Guideline Lead, responded that details for these meetings would be circulated shortly.

Date of next meeting: 24/02/2023
