---------------------	-------------------------------

1. Welcome, Introductions and DOIs

The Chair (BS) welcomed the committee members and NICE attendees to the 4th committee meeting for the NICE Kidney Cancer guideline.

BS informed attendees that apologies had been received as noted above. BS asked all committee members to verbally declare any new interests. No additional interests were declared

2. Background and meeting aims

BS introduced NICE Senior Technical Analyst Sarah Boyce (SB), who outlined the background of the review process and meeting aims.

BS thanked SB for her presentation.

3. Presentation of evidence

BS invited Technical Analyst Olivia Crane (OC) to present the evidence on localised nephrectomy (partial versus radical)

BS thanked OC for her presentation and points of clarity

4. Discussion

Following a short break, BS facilitated discussion from the committee on the evidence presented.

BS thanked the committee and NICE team for their input.

5. Introduction in drafting of recommendations

BS Introduced James Hall (JH), Senior Medical Editor who gave a presentation of the NICE methods for drafting recommendations.

JH then invited comments and questions from the committee.

BS thanked JH for his presentation and the committee for their input.

6 and 7. Drafting of Recommendations

The NICE team led a discussion of the draft recommendations with the committee, which continued after a lunch break.

Draft recommendations were agreed.

BS thanked all for their input.

8. Health Economics

BS introduction Lindsay Claxton, Health Economics Adviser, Hannah Tebbs, Senior Health Economist and Yuanyuan Zhang, Health Economist. The team outlined plans for the costing for certain review questions and studies of interest.

BS then facilitated a discussion from the committee and health economic team.

BS thanked the team for the presentations an the committee for their input

9. Quality Standards

BS introduced Melanie Carr (MC), Technical Analyst and Nicola Greenway (NG), Quality Manager. MC presentation the committee with an overview of the Quality Standard process and the role of the committee in developing this alongside the guideline.

MC and NG lead committee discussion on areas for recognition and referral.

BS thanked the team for their presentation and committee for their input

7. Next steps and AOB

BS summarised the main actions from the day and asked for items of any other business. As there was no further business to discuss, BS brought the meeting to a
