<b>1. Welcome and objectives for the meeting</b>
<p>The Chair welcomed the Committee members and attendees to the 3rd meeting on the update of the pharmacological management of chronic heart failure.</p> <p>The Chair informed the Committee that apologies had been received. These are noted above.</p> <p>The Chair outlined the objectives of the meeting, which included an update on the health economic model and a review of pharmacological management of chronic heart failure with mildly reduced left ventricular ejection fraction.</p>
<b>2. Confirmation of matters under discussion, and declarations of interest</b>
<p>The Chair confirmed that, for the purpose of managing conflicts of interest, the matters under discussion were:</p> <ul style="list-style-type: none"> <li>• Review of pharmacological management of chronic heart failure with mildly reduced left ventricular ejection fraction</li> </ul> <p>The Chair and a senior member of the technical team reviewed the declarations of interest register for interests previously declared and noted that none posed a conflict with the matters under discussion, therefore no further action was required.</p> <p>The Chair asked everyone to verbally declare any interests in addition to those previously declared, none were declared</p>

**3. TA integration update**

The Committee were given an update on the health economic modelling and advised that a HE subgroup meeting would take place before the next meeting for additional discussion.

**4. Evidence Review: Pharmacological management of chronic heart failure with mildly reduced left ventricular ejection fraction**

The Committee were presented with the evidence review and discussed the evidence.
