

Committee membership list –
Breast cancer: neoadjuvant chemotherapy and ovarian function suppression
(update)

Membership of Early and locally advanced breast cancer: diagnosis and management (NG101) – Neoadjuvant chemotherapy and ovarian function suppression update

The Committee will operate as an advisory Committee to NICE's Board, updating a guideline on 'Early and locally advanced breast cancer: diagnosis and management' in relation to neoadjuvant chemotherapy and ovarian function suppression.

The terms of reference and standing orders for the Committee can be found in [appendix D of Developing NICE guidelines: the manual](#).

The Committee has 13 members, including a Chair, Topic Adviser and 3 lay members.

Committee membership list –
Breast cancer: neoadjuvant chemotherapy and ovarian function suppression
(update)
