Dear Jeremy

As a result of increased workload, BNF editors are unable to provide comments on these consultations.

We would be grateful if you could continue to send your documents to us in the usual manner. Where individual workloads permit, some editors may be able to respond with their comments.

Yours sincerely,

Dear Consultees and Commentators,

We sent three documents to you earlier this week. If you wish to comment on these documents, could you make it clear which of the three documents each of your comments refers to.

Thank you very much,

Jeremy Powell
