

National Institute for Health and Care Excellence

**IP 1178 – Implantation of a left ventricular assist device for destination therapy in people ineligible for heart transplantation
Consultation Comments table**

IPAC date: 15 January 2015

No consultation comments were received

"Comments received in the course of consultations carried out by NICE are published in the interests of openness and transparency, and to promote understanding of how recommendations are developed. The comments are published as a record of the submissions that NICE has received, and are not endorsed by NICE, its officers or advisory committees."
