

National Institute for Health and Care Excellence

IP1223 –Percutaneous transforaminal endoscopic lumbar discectomy for sciatica

Consultation Comments table

IPAC date: Thursday 11 February 2016

No comments received

"Comments received in the course of consultations carried out by NICE are published in the interests of openness and transparency, and to promote understanding of how recommendations are developed. The comments are published as a record of the submissions that NICE has received, and are not endorsed by NICE, its officers or advisory committees."
