

National Institute for Health and Care Excellence
IP651/2 – Ab externo canaloplasty for primary open-angle glaucoma

Consultation comments table

IPAC date: 14th July 2017

No Comments Received

"Comments received in the course of consultations carried out by NICE are published in the interests of openness and transparency, and to promote understanding of how recommendations are developed. The comments are published as a record of the submissions that NICE has received, and are not endorsed by NICE, its officers or advisory committees."
