**K70.3 Alcoholic cirrhosis of liver**

**R18.X Ascites**

OR

**K74.6 Other and unspecified cirrhosis of liver**

**R18.X Ascites**

## **Clinical coding recommendations for NICE guidance**

For each published interventional procedure guidance, we work with NHS Digital to provide relevant clinical coding information.

The mandated classifications (OPCS-4 or ICD-10) provide a method to collect and aggregate data to allow accurate and consistent data analysis.

NICE and NHS Digital Information Representation Services work collaboratively to ensure the most appropriate OPCS-4 and ICD-10 codes are provided.

NHS Digital is the national release centre for the UK edition of ICD-10 and OPCS-4. Further Classifications information, see [here](#).
