

National Institute for Health and Care Excellence
IP269/3 Endoluminal gastroplication for gastro-oesophageal reflux disease

IPAC date: 8th December 2022

None received

"Comments received in the course of consultations carried out by NICE are published in the interests of openness and transparency, and to promote understanding of how recommendations are developed. The comments are published as a record of the submissions that NICE has received, and are not endorsed by NICE, its officers or advisory committees."
