Notes

1. ID welcomed the group to meeting. Apologies were received from John Martin and Tom McAnea. The Chair asked all GDG members to declare any relevant conflicts of interest. No new declarations of interest were received from the GDG members or the other attendees.
(Declarations are kept on record at the NCC-WCH and will be published in the full guideline.)
2. After minor amendments the minutes of the last meeting of this group were agreed as a true and accurate account of the meeting.
3. ID gave an update on progress since the last meeting and future issues
4. The GDG discussed the evidence review on prokinetic agents for the treatment of GOR

Notes

and drafted their recommendations

5. The GDG discussed the evidence review on Asthma and drafted recommendations on this
6. SM presented a list of all recommendations made by the GDG. The GDG discussed and amended these for clarity and to ensure consistency with the scope.
7. There was no other business. ID thanked the participants for attending and closed the meeting.

Date, time and venue of the next meeting

The 8th Gastroesophageal reflux in children and young people GDG meeting will be held on 5 February 2014 at the RCOG
