Notes

1. ID welcomed the group to meeting. Apologies were received from Mike Thomson, Rebecca Harmston and Eleanor Jeans. The Chair asked all GDG members to declare any relevant declarations of interest. All declarations made are detailed below:

MTe declared

Personal non-pecuniary interest In the process of leading a Cochrane review on GORD in children. This is due for presentation at the RCPCH in April 2014.

ID declared

Personal non-pecuniary interest in February provided a lecture at The British Society of Paediatric Gastroenterology Hepatology and Nutrition (BSPGHAN) Annual Meeting, London.

Notes

BJ declared

Personal non-pecuniary interest in February provided a lecture at The British Society of Paediatric Gastroenterology Hepatology and Nutrition (BSPGHAN) Annual Meeting, London.

The declarations made by ID and BJ were reiterations already declared interests.

(Declarations are kept on record at the NCC-WCH and will be published in the full guideline.)

2. After minor amendments the minutes of the last meeting of this group were agreed as a true and accurate account of the meeting.
3. ID gave an update on progress since the last meeting and focus moving forward.
4. ID presented to the GDG on the methods of enteral tube feeding.
5. The GDG discussed the evidence review on enteral tube feeding for the treatment of GOR and drafted their recommendations.
6. BJ presented to the GDG on the methods of Fundoplication.
7. The GDG discussed the evidence review on Fundoplication and drafted recommendations on this.
8. The drafting of the recommendation for Fundoplication was not fully complete in the time schedule so this will be revisited at a future GDG meeting.
9. There was no other business. ID thanked the participants for attending and closed the meeting.

Date, time and venue of the next meeting

The 9th and 10th Gastroesophageal reflux in children and young people GDG meetings will be held on 2nd and 3rd April 2014 at the RCOG
