Committee membership list – Renal Replacement Therapy Guideline Committee/Standing Advisory Committee

- **Principle** – to document the membership of a guideline Committee and DOIs (to be uploaded as soon as the Committee is appointed; and updated at Scope Consultation; Guideline Consultation; and final publication)
- **Links to include** – none
- **Attachments to include** – none
- **Info to include** – guideline title; member name, title, organisation; matter under discussion and DOI

for
Excellence

Membership of Renal Replacement Therapy Guideline Committee

The Committee will operate as an advisory Committee to NICE's Board, developing a guideline on Renal Replacement Therapy.

The terms of reference and standing orders for the Committee can be found in [appendix D of Developing NICE guidelines: the manual](#).

The Committee has 19 members, to include 17 core members and 2 topic expert members.
