1. Welcome, introductions and apologies

The chair welcomed the committee members and attendees to the 13th public health advisory committee D (PHAC D) meeting on managing common infections. The committee members and attendees introduced themselves.

The chair informed the committee that apologies had been received as noted above.

The chair outlined the objectives of the meeting, which included:

- Discussion of evidence and agreement of draft recommendations: bronchiectasis
- Update on acute exacerbation of COPD and acute cough

The minutes of the previous meeting were reviewed, amended and agreed.

2. Declaration of interests

IP gave a short presentation on the updated NICE declaration of interest's policy. The committee members declared relevant interests.

10.23 CM joined the meeting and introduced herself.

The following interests were declared.

Name	Interest declared	Action
Ian Hill-Smith	I am one of the directors of the National Minor Illness Centre providing education for clinicians on the management of common illnesses, including infections. We strive to provide independent advice and avoid any sponsorship.	Declare and participate at the chair's discretion.

3. General update and next steps

JH gave a short presentation updating the committee on the progress to date and the current steps in the process.

4. Research recommendations

MC gave a presentation on NICE research recommendations. MC responded to questions from the committee.

5. Discussion of evidence and agreement of draft recommendations: bronchiectasis

JH made notes on electronic versions of the guideline and evidence reviews (where appropriate).

SW gave a presentation summarising the evidence for the bronchiectasis guideline.

SW gave a presentation on the evidence for treatment of an acute exacerbation of bronchiectasis. The committee discussed the evidence presented.

SW presented the evidence for non-antimicrobial interventions. SW presented the evidence for inhaled mannitol. The committee discussed the evidence.

13.00 SS left the meeting.

SW presented the evidence for antimicrobial interventions. The committee discussed the evidence.

14.00 JH left the meeting. LP took notes on electronic versions of the evidence review and guideline.

14.13 JH re-joined the meeting.
