--------------------	--------------------------------------

1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the 18th meeting on intrapartum care for women with medical conditions and their babies. The Committee members and attendees introduced themselves.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair, outlined the objectives of the meeting which included: reviewing the draft recommendations in relation to the review questions on cardiac disease.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was intrapartum care for high risk women with medical conditions and their babies.

The Chair asked everyone to verbally declare any interests that have arisen since the last meeting.

The following new interests were declared.

Name	Job title, organisation	Declarations of Interest, date declared	Type of interest	Decision taken
Lucy Mackillop	Consultant Obstetric Physician, Oxford University Hospitals NHS Foundation Trust	08/05/18 Gave a presentation on gestational diabetes on 9 th April 2018	Direct non-financial professional and personal interests non-specific	Declare and remain

Sara Thorne	Consultant Cardiologist, University Hospital Birmingham	Co-author on research paper on intrapartum blood loss in women with heart disease, review articles on pregnancy in heart disease, reviewer of cardiac deaths for MBRRACE UK (Blood loss paper 2018, others ongoing)	Direct – non- financial	Declare and remain
-------------	---	---	-------------------------------	--------------------------

The Chair and a senior member of the Developer’s team noted that the new interests declared did not prevent participation in the meeting.

Following previous declarations of interest, David Williams withdrew from the meeting for discussions of review questions related to antenatal planning for birth in women with congenital cardiac disease. The meeting was chaired by the Vice Chair for these topics.

3. Minutes of last meeting

The Chair asked the Committee if it wanted any changes made to the minutes of the last meeting. The Committee agreed that the minutes were a true and accurate account of the meeting.

The Chair confirmed that all matters arising had been completed or were in hand.

4. Presentations

The Chair introduced May Oo Khin, NGA Systematic Reviewer, who gave a presentation on new evidence in relation to the review questions on cardiac disease.

The Chair led a review of the draft recommendations on intrapartum care for women with cardiac disease (excluding recommendations on stratification of risk).

The Vice Chair led a review of the draft recommendations on stratification of the intrapartum risk for women with cardiac disease.

The Committee discussed the issues presented in relation to this guideline.

5. Questions and discussion

The Committee discussed the draft recommendations, including consideration of equalities issues and agreed amendments to recommendations.

6. Lay member forum
No specific issues were raised by lay members.
7. Any other business
None.

Date of next meeting: 12/06/2018

Location of next meeting: RCOG, London
