The Chair and a senior member of the Developer's team noted that the interests declared did not prevent the attendee from fully participating in this meeting.

3. Minutes of last meeting

The Chair asked the Committee if it wanted any changes made to the minutes of the last meeting. The Committee agreed that the minutes were a true and accurate account of the meeting.

The Chair confirmed that all matters arising had been completed or were in hand.

4. Presentations

The Chair introduced May Oo Khin, NGA Systematic Reviewer, who gave a presentation on Evidence review: Q20. What is the most effective fluid management regimen for women who develop an acute kidney injury or have chronic kidney disease and who are in the peripartum period?

The Chair introduced Alex Bates, NGA Guideline Lead, who gave a presentation on Drafting recommendations for Q21. Which women who develop an acute kidney injury or have chronic kidney disease should be offered elective caesarean section for reasons specific to kidney disease?

The Chair introduced Shona Burman-Roy, NGA Senior Systematic Reviewer, who gave a presentation on Evidence review: Q25. What is the optimal position in the second stage of labour for women with obesity?

The Chair introduced May Oo Khin, NGA Systematic Reviewer, who gave a presentation on Evidence review: Q26. What additional equipment is needed to ensure optimal care of women with obesity in the peripartum period?

The Chair introduced Paul Jacklin, NGA Senior Health Economist, who gave a presentation on the health economics of obesity equipment.

The Chair introduced Alex Bates, NGA Guideline Lead, who gave a presentation on Protocol: Q12. What are the risks and benefits of central neuraxial analgesia compared with systemic analgesia, inhaled analgesia or no analgesia for women with asthma in labour?

The Chair introduced Adam Storrow, NICE Business Analyst, who gave a presentation on Resource impact in NICE guidance.

The Committee then discussed the issues presented in relation to this guideline.

The Committee thanked the speakers for their presentations and contribution to the development of the guideline.

5. Questions and discussion

The Committee discussed the evidence reviews and proposed recommendations. The Committee discussed the protocol and were given the opportunity to ask questions and make amendments.

6. Any other business

The new NGA travel and expenses system was outlined to the guideline committee and takes effect on 31 March 2017.

Date of next meeting: 26/04/17

Location of next meeting: RCOG, London
