### **1. Welcome and objectives for the meeting**

The Chair welcomed the Committee members and attendees to the fourteenth meeting on intrapartum care for women with medical conditions and their babies. The Committee members and attendees introduced themselves.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair, outlined the objectives of the meeting which included: reviewing the evidence and drafting recommendations including sections linking evidence to recommendations.

### **2. Confirmation of matter under discussion, and declarations of interest**

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was intrapartum care for high risk women with medical conditions.

The Chair asked everyone to verbally declare any interests that have arisen since the last meeting.

The following new interests were declared.

<b>Name</b>	<b>Job title, organisation</b>	<b>Declarations of Interest, date declared</b>	<b>Type of interest</b>	<b>Decision taken</b>
Julie Orford	Lay member	13.9.2017 Employed as bank receptionist with GP Streaming Service in Ipswich Hospital A&E.	Personal financial non-specific	<b>Declare and continue</b>

David Williams	Consultant Obstetric Physician, Institute for Women's Health, University College London Hospitals	13.9.2017  Updated a chapter on Renal Disease in Pregnancy in the Oxford Textbook of Obstetrics and Gynaecology. Eds, Arulkumaran S , Denny L, Doumouchtsis S and Ledger W. No payment received.	Personal non- financial, specific but no direct overlap with guideline topics	<b>Declare and continue</b>
----------------	--	---	--	-------------------------------------

The Chair and a senior member of the Developer's team noted that the interests declared did not prevent the attendees from fully participating in this meeting.

### **3. Minutes of last meeting**

The Chair asked the Committee if it wanted any changes made to the minutes of the last meeting. The Committee agreed that the minutes were a true and accurate account of the meeting.

The Chair confirmed that all matters arising had been completed or were in hand.

### **4. Presentations**

The Chair introduced May Oo Khin, NGA Systematic Reviewer, who gave a presentation on: Evidence review 7. What is the most appropriate method of diagnosis for women with suspected cardiomyopathy in labour?

The Chair introduced May Oo Khin, NGA Systematic Reviewer, who gave a presentation on: Evidence review 11. How should the third stage of labour be managed for women with cardiac disease?

The Chair introduced Shona Burman-Roy, NGA Senior Systematic Reviewer, who gave a presentation on: Evidence review 9. Is regional or general anaesthesia safer for women with cardiac disease for peripartum surgical procedures including caesarean section?

The Chair introduced Maija Kallioinen, NGA Systematic Reviewer, who gave a presentation on: Evidence review 10. What are the risks and benefits of central neuraxial analgesia compared with systemic analgesia, inhaled analgesia or no analgesia for women with cardiac disease who are in labour?

The Committee discussed the issues presented in relation to this guideline.

The Committee thanked the speakers for their presentations and contribution to the

development of the guideline.

**5. Questions and discussion**

The Committee discussed the evidence reviews and proposed recommendations. The Committee discussed the drafted recommendations and were given the opportunity to ask questions and make amendments.

**6. Any other business**

No lay member concerns were raised.

**Date of next meeting:** 18/10/2017

**Location of next meeting:** RCOG, London
