1. Welcome and objectives for the meeting

The Chair welcomed the augmented Committee (core members and co-opted members) and technical team to the seventh meeting for Intrapartum Care for High-Risk Women – Obstetric Complications.

The Chair informed the Committee that apologies had been received as noted above.

The Chair outlined the objectives of the meeting, which included the following:

- reviewing stakeholder comments on the draft addendum to CG190 (exceptional review of fetal monitoring recommendations), agreeing revisions and drafting responses to comments
- considering the expanded evidence review for management in labour based on cardiotocograph findings.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that for the purpose of managing conflicts of interest the matter under discussion was fetal monitoring. The Chair asked everyone to verbally declare

any interests that had arisen since the last meeting.

Name	Job title, organisation	Declarations of Interest	Type of interest	Decision taken
Caroline Rice	Consultant Obstetrician and Gynaecologist, Pennine Acute Hospitals NHS Trust	Panel member undertaking case reviews for the 2016/17 perinatal confidential enquiry into intrapartum stillbirth and intrapartum-related neonatal death for MBRRACE	Personal non-financial specific	Declare and participate

The Chair and a senior member of the Developer's team noted that the interests declared did not prevent the attendees from participating fully in the meeting.

3. Minutes of last meeting

The Chair asked the Committee if it wanted any changes made to the minutes of the last meeting. The Committee agreed that the draft minutes were a true and accurate account of the meeting.

4. Presentations

The Chair introduced SBR who presented the stakeholder comments received on cardiotocography compared with intermittent auscultation on admission in labour. SBR took questions from the Committee.

The Chair introduced RC who presented the stakeholder comments received on interpretation of an electronic fetal heart rate trace. RC took questions from the Committee.

The Chair introduced ASt who gave a presentation on resource impact assessment. AS took questions from the Committee.

The Chair introduced LKu who presented the stakeholder comments received on fetal blood sampling and fetal scalp stimulation. LKu took questions from the Committee.

The Chair introduced LKu who presented the expanded evidence review for management of labour based on cardiotocograph findings. LKu took questions from

the Committee.

The Chair introduced RC who presented the stakeholder comments on management of labour based on cardiotocograph findings. RC took questions from the Committee.

The Chair introduced BB who presented the stakeholder comments on women's views and experiences. BB took questions from the Committee.

The Chair introduced LKu who presented the stakeholder comments on cardiotocography compared with intermittent auscultation during established labour. LKu took questions from the Committee.

5. Questions and discussion

The Committee discussed the stakeholder comments received on the exceptional review of the fetal monitoring guidance in CG190 and updated the recommendations accordingly. Responses to stakeholder comments were drafted.

The Committee discussed the expanded evidence review for management of labour based on cardiotocograph findings and reviewed the recommendations in the light of this and the stakeholder comments.

In accordance with the NICE guideline development process, comments received from non-registered stakeholders and individuals were also reviewed by the Committee and where relevant changes to the guideline were agreed by the Committee.

6. Any other business

The Chair thanked the augmented Committee for their work on the exceptional review of the fetal monitoring guidance in CG190.

The Chair reminded the core members of the Committee that their next meeting would be on 28 February 2017.

Date of next meeting: 28 February 2017

Location of next meeting: RCOG, London
