**1. Welcome and objectives for the meeting**

The Chair welcomed the Committee members and attendees to the eighth meeting on urinary incontinence and pelvic organ prolapse in women: management.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included: reviewing the evidence and drafting recommendations, and discussing and amending review question protocols.

**2. Confirmation of matter under discussion, and declarations of interest**

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was urinary incontinence and pelvic organ prolapse in women: management.

The Chair asked everyone to verbally declare any interests that have arisen since appointment or that were specific to the topics being considered at this meeting.

Name	Job title, organisation	Declarations of Interest, date declared	Type of interest	Decision taken
Karen Ward	Consultant Gynaecologist, Warrell Unit, St Mary's Hospital, Central Manchester University Hospital NHS Trust	Signed 27.11.2017; submitted 6.12.2017  Chair of British Society of Gynaecologists Training committee November 2017 (will sit on RCOG	Personal, non-financial, specific	Declare and continue

		subspecialty committee). She was previously Vice Chair of the same committee.		
Suzanne Biers	Urology Consultant, Addenbrooke's Hospital	10.01.2018  Faculty and teacher on urology course for junior trainees – reconstructive techniques in urology. I do not receive a fee for my participation. The course received sponsorship from Boston Scientific. The course is not related to and does not use prolapse or incontinence devices or products.	Personal, non-financial, non-specific	Declare and continue

The Chair and a senior member of the Developer's team noted that the interests declared did not prevent the attendees from fully participating in the meeting.

### 3. Minutes of last meeting

The Chair asked the Committee if it wanted any changes made to the minutes of the last meeting. The Committee agreed that the minutes were a true and accurate account of the meeting.

The Chair confirmed that all matters arising had been completed or were in hand.

### 4. Presentations

The Chair introduced Eric Slade, NGA Health Economist, who gave a presentation on the NMA for review question 8.4.

The Chair introduced Jose Marcano-Belisario, NGA Senior Systematic Reviewer,

and Eric Slade, NGA Health Economist, who gave a presentation on EVIDENCE REVIEW: 8.5 What is the role of surgery to prevent postoperative urinary incontinence in women having surgery for pelvic organ prolapse, including the sequence of interventions?

The Chair introduced Kevin Harris, NICE Programme Director and Clinical Advisor, who gave a presentation on NICE interventional procedures guidance.

The Chair introduced Linyun Fou, NGA Systematic Reviewer, who gave a presentation on EVIDENCE REVIEW: 9.1 What is the most effective surgical management for women with both stress urinary incontinence and pelvic organ prolapse, including the sequence of interventions?

The Chair introduced Patrice Carter, NGA Systematic Reviewer, who gave a presentation on EVIDENCE REVIEW: 11.4 What are the most effective management options for urinary complications after mesh surgery?

The speakers took questions from the group. The Committee then discussed the issues presented in relation to this guideline. The Chair thanked the speakers for their presentations.

## **5. Questions and discussion**

The committee discussed the draft PROTOCOL: 3.1 What are the risks to cognitive function for women taking anticholinergic drugs for overactive bladder?

The Chair gave an update on media coverage of the guideline and how NICE were managing this. The Chair also gave an update on how the guideline relates to the IPGs and the steps being taken to ensure a transparent and helpful relationship is maintained between the NGA technical team and the IP team.

The Committee discussed the presentations and were given the opportunity to ask questions, draft recommendations and rationale and impact sections following evidence reviews, and agree amendments to the review protocols.

## **6. Other issues**

The Committee considered the following implementation issues:

- No specific issues were raised at this meeting.

## **7. AOB**

- There were no other items of business.
