1. Welcome

- Objectives for the meeting,
- Confirmation of matter under discussion,
- Declarations of interest, minutes of last meeting

The Chair welcomed the Committee members and attendees to the 6th meeting. No members of the public had asked to observe this meeting.

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was specialist neonatal respiratory care in preterm babies.

There were no declarations of interests.

2. Matters arising / follow-up on action from previous meeting

The Chair discussed with the committee the actions from the previous meeting and matters arising for the meeting. The committee signed off the web minutes for GC5.

The Chair introduced Kelly Williams (NGA Systematic Reviewer) who discussed with the committee the draft protocol for review question 4.2 (*To determine the optimal method for diagnosing hyperoxia or hypoxia in preterm babies?*) and took questions from the committee.

3. Evidence review 6.2. What support is valued by parents and carers of preterm babies who are receiving respiratory support in hospital?

The Chair introduced Audrey Tan, NGA Systematic Reviewer, who presented the evidence review for question 6.2 and took questions from the committee.

The Chair led a discussion with the committee to develop the recommendations.

4. Evidence review 6.3. What information, and in what format, is valued by parents and carers of preterm babies who are receiving respiratory support in hospital?

The Chair introduced Audrey Tan, NGA Systematic Reviewer, who presented the evidence review for review question 6.3.

The Chair led a discussion with the committee to develop the recommendations.

5. NICE Guideline Progress Meeting 2 update

Hilary Eadon, NGA Guideline Lead, updated the committee with the discussions that took place at Guideline Progress Meeting 2 and took questions from the committee.

6. Review recommendations and LETRs for review questions 2.1 and 5.1

Review question 2.1. What are the risk factors for bronchopulmonary dysplasia in preterm babies?

Review question 5.1 What is the effectiveness of morphine during respiratory support?

Hilary Eadon, NGA Guideline Lead, presented the edits to the recommendations for review questions 2.1 and 5.1 post NICE comments, the committee discussed and agreed these.

7. Lay member forum

The committee lay members discussed one question in relation to review 6.3. No other questions were raised at the forum.

8. Any other business

The Chair reminded the committee the second day of the meeting was being held at the Royal College of Obstetricians and Gynaecologists.

9. Close of meeting

The chair closed the meeting for the first day.

10. Welcome, introductions (Day 2)

The Chair welcomed the committee to the second day of the meeting.

11. Review 3.5. What is the effectiveness of diuretics in preterm babies requiring respiratory support?

The Chair introduced Kelly Williams, NGA Systematic Reviewer, who presented the evidence review for question 3.5 and took questions from the committee.

The Chair led a discussion with the committee to develop the recommendations.

12 - 13. Review 6.1. What parent and carer involvement is effective in the care

of preterm babies who are receiving respiratory support?
The Chair introduced Shona Burman Roy, NGA Senior Systematic Reviewer, who presented the evidence review for question 6.1 and took questions from the committee. The Chair led a discussion with the committee to develop the recommendations.
14. Revisiting economic priorities and queries from NICE on the economic plan (update including baseline models).
The Chair introduced Eric Slade, NGA Health Economist, who presented the economic priorities for the guideline and discussed with the committee the agreed priorities.
15. NMA – review of studies identified, pairwise and NMA
The Chair introduced Kelly Williams, NGA Systematic Reviewer, who presented the NMA plans for the reviews identified and took questions from the committee.
16. AOB
The Chair introduced Aung Soe, Topic Advisor, who reminded the committee the classification for the agreed NMA and took questions from the committee.
17. Close of meeting
The Chair closed the meeting.

Date of next meeting: 9th January 2018

Location of next meeting: Royal College of Obstetricians and Gynaecologists,
London
