Wes Hubbard

NICE – Information Specialist

1. Welcome

VM, Project Manager provided some guidance on Zoom etiquette.

The Chair welcomed the committee members and attendees to the 1st committee meeting on stroke & TIA. The Chair invited all attendees to introduce themselves.

The Chair outlined the objectives of the meeting, which included:

- Reviewing new evidence, and previous recommendations for:
 - What is the safety and efficacy of intensive interventions to lower blood pressure versus less intensive interventions in people with acute intracerebral haemorrhage?

The Chair asked all committee members to verbally declare any interests. The Chair and senior members of the Developer team noted that the interests declared did not prevent the attendees from fully participating in the meeting. The following interests were declared:

Name	Job title, organisation	Declarations of Interest, date declared	Type of interest	Decision taken
Sreeman Andole	Stroke Consultant, Manx Care, Isle of Man	Specialist advisor Care Quality Commission	Direct financial	Declare and participate. Rationale: The role is wide ranging and does not directly impact on the update of the guideline.
Sreeman Andole	Stroke Consultant, Manx Care, Isle of Man	Neuroscience, Clinical reference Group	Direct non-financial professional and personal interests	Declare and participate. Rationale: Not specific to the update of the guideline
Sreeman Andole	Stroke Consultant, Manx Care, Isle of Man	Parliamentary and Health Service Ombudsman External advisor on an ad-hoc basis	Direct non-financial professional and personal interests	Declare and participate. Rationale: Not specific to the update of the

				guideline
