

Endorsed resource – Predict Prostate

Implementation support
Published: 22 August 2019

www.nice.org.uk

[The University of Cambridge Academic Urology Group](#) has produced a [decision aid](#) that supports recommendations in the NICE guideline on [prostate cancer](#). It also supports statements 1 and 2 in the NICE quality standard on [prostate cancer](#).

This tool is for comparing the outcomes of conservative management and radical treatment, in men with non-metastatic prostate cancer.
