# NATIONAL INSTITUTE FOR HEALTH AND CARE EXCELLENCE

## NICE guidelines

### Equality impact assessment

## Hypertension in pregnancy: diagnosis and management

### 4.0 Final guideline (to be completed by the Developer before GE consideration of final guideline)

4.1 Have any additional potential equality issues been raised during the consultation, and, if so, how has the Committee addressed them?

No issues were raised during consultation.

4.2 If the recommendations have changed after consultation, are there any recommendations that make it more difficult in practice for a specific group to access services compared with other groups? If so, what are the barriers to, or difficulties with, access for the specific group?

No, none of the post-consultation changes to the recommendations make it more difficult in practice for a specific group to access services compared with other groups.

4.3 If the recommendations have changed after consultation, is there potential for the recommendations to have an adverse impact on people with disabilities because of something that is a consequence of the disability?

## 1.0.7 DOC EIA

4.3 If the recommendations have changed after consultation, is there potential for the recommendations to have an adverse impact on people with disabilities because of something that is a consequence of the disability?

No, none of the post-consultation changes to the recommendations will have an adverse impact on people with disabilities because of something that is a consequence of the disability

4.4 If the recommendations have changed after consultation, are there any recommendations or explanations that the Committee could make to remove or alleviate barriers to, or difficulties with, access to services identified in questions 4.1, 4.2 and 4.3, or otherwise fulfil NICE's obligations to advance equality?

Not applicable

4.5 Have the Committee's considerations of equality issues been described in the final guideline, and, if so, where?

As there have been no changes to the equality issues post-consultation there is no additional consideration of equality issues beyond that described at section 3.3 above.
