### 1. Welcome and objectives for the meeting; introductions

The Chair welcomed the Committee members and attendees to the fifth meeting on

Twin and triplet pregnancy. The Chair introduced Louise Geneen as the new Systematic Reviewer. The Committee members and attendees introduced themselves.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included: presentations of evidence reviews, presentations of draft review protocols and edited recommendations and rationale and impact in the short guideline.

## **2. Confirmation of matter under discussion, and declarations of interest**

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was twin and triplet pregnancy.

No new declarations of interests were noted.

## **Presentations**

**3.** The Chair introduced Katharina Dworzynski, NGA Guideline Lead, who provided an update on the edited recommendations in the short guideline and the summary of committee discussion for analgesia and third stage labour.

**4.** Katharina Dworzynski, NGA Guideline Lead, provided an update of the edited rationale and impact for 'FFTS' in the evidence review and short guideline.

**5.** The Chair introduced Louise Geneen, NGA Systematic Reviewer, who presented evidence review 1.3 What is the optimal screening programme to detect twin anaemia polycythemia sequences (TAPS)?

**6.** The Chair introduced Laura Kuznetsov, Systematic Reviewer, who presented evidence review 1.2 What is the optimal screening programme to detect intrauterine growth restriction in twin and triplet pregnancy?

## **7. Any other business**

None
