

## Register of declarations of interest: End of Life Care

The effective management of conflicts of interests is an essential element in the development of the guidance and advice that NICE publishes. This document records declarations made at any stage in the guideline development process, from recruitment to the final Committee meeting. Please refer to the NICE website for the [Policy on Conflicts of Interest](#).

Name	Job title, organisation	Declarations of Interest, date declared (recruitment / committee meeting)	Type of interest	Decision taken
Mark Thomas	Chair, Consultant Nephrologist, Birmingham Heartlands Hospital	GC14: I have been appointed as an Associate Medical Director for my Trust (HEFT) and the University Hospital Birmingham Trust, which are merging later in the year. My remit unsurprisingly includes Guidelines and Patient Safety. I already chair the Guidelines group for HEFT; we quality assure all clinical guidelines in HEFT, <u>including</u> making sure that they follow NICE guidance.
