#### Committee membership list – Diverticular disease Guideline Committee

		2016 - During the past 12 months, I have received consultancy fees from Dr Falk Pharma and Vifor pharma for attendance on advisory boards. Neither board were concerned with diverticular disease.	Direct financial interest (not related to diverticular disease scope)	No action other than process of open declaration
		2018 - Asked to write an article on A2 milk (milk which contains predominately A2 casein).	Indirect, non-financial	No action other than process of open declaration
David Humes (Clinical Lead)	Associate Professor of Surgical epidemiology and Honorary Consultant Colorectal Surgeon, The University of Nottingham	2016 - Received competitive grant funding in 2016 from CORE for a project on complicated diverticular disease.	Indirect financial interest	No action other than process of open declaration
		10 May 2018 - I am examining a PhD thesis at the Karolinska Institute in Stockholm in October. The thesis is on diverticular disease and its epidemiology using routinely collected data. I will be given a travel allowance of £800 along with flights and accommodation.	Indirect, financial	No action other than process of open declaration
Stephen Bradley	General Practitioner & Prescribing Lead, York Street Homeless Practice/ Clinical Research Fellow, Academic Unit of Primary Care, University of Leeds/ Academic & Personal Tutor, University of Leeds Medical School	On application - Salaried GP, York Street Practice, Leeds	No conflict	No action other than process of open declaration
		On application - PLAB examination station management committee, General Medical Council	No conflict	No action other than process of open declaration
		On application - Research fellow, University of Leeds	No conflict	No action other than process of open declaration
		On application -	No conflict	No action

### 2.0.3 DOC Cmte membership list
