<b>1. Welcome and objectives for the meeting</b>
<p>The Chair welcomed the committee members and attendees to the 18<sup>th</sup> committee meeting of the Diabetes Suite. The Chair informed the committee that apologies had been received. These are noted above.</p> <p>The Chair asked everyone to verbally declare any interests. No new interests were declared.</p>
<b>2. Pharmacological agents for improving glycaemic control in children and young people with Type 2 Diabetes</b>
<p>The Chair introduced Linyun Fou and Steph Armstrong, Technical Analysts, who presented clinical evidence and health economic evidence relating to pharmacological agents for improving glycaemic control in children and young people with type 2 diabetes. The committee asked questions. The Chair thanked Linyun and Steph for their presentations.</p>
<b>3. Pharmacological agents for improving glycaemic control in children and young people with Type 2 Diabetes (continued)</b>
<p>Following a short break, the Chair facilitated a committee discussion on the clinical evidence in relation to the guideline recommendations. The Chair thanked the committee for their questions and contributions.</p>
<b>4. AOB, next steps and summary</b>
<p>Chris Harris, Project Manager provided a brief overview of the next steps and key deadlines for this update.</p> <p>The Chair then asked the committee and project team if there were any further matters to raise. No further matters were discussed.</p>
<b>5. Meeting close</b>
<p>The Chair thanked the Committee and NICE team. The meeting was brought to a close.</p>

**Date of next meeting:** Post Consultation Meeting: Tue 7<sup>th</sup> March 2023
