### 1. Welcome and objectives for the meeting

The Chair welcomed the committee members and attendees to the 20<sup>th</sup> committee meeting of the Diabetes Suite. The Chair informed the committee that apologies had been received. These are noted above.

The Chair asked everyone to verbally declare any interests. These are outlined below:

Name	Job title, organisation	Declarations of Interest, date declared	Type of interest	Decision taken
Chizo Agwu	Committee member, Consultant Paediatrician	Panel member of 'Tackling Health Inequalities in Diabetes Commission'. Funded by Diabetes UK	Direct Financial (expenses only)	Declare and participate
Evelien Gevers	Committee Member, Consultant Paediatrician	Editor for Endocrinology Series in European Journal for Paediatrics	Direct, non-financial professional and personal	Declare and participate
Natasha Jacques	Committee member, Pharmacist	Lead Pharmacist, Medicines Optimisation  NHS Coventry and Warwickshire Integrated Care Board	Direct financial	Declare and participate
Carol Metcalfe	Committee member, Paediatric diabetes Nurse Specialist	Lead Nurse for North West T2 children and young people Diabetes Network	Direct, non-financial professional and personal	Declare and participate

The Chair and a senior member of the Developer's team noted that the interests

declared did not prevent the attendees from fully participating in this meeting.
<b>2. Pharmacological agents for improving glycaemic control in children and young people with Type 2 Diabetes</b>
The Chair introduced Linyun Fou, Technical Analyst, who presented clinical evidence and stakeholder comments relating to pharmacological agents for improving glycaemic control in children and young people with type 2 diabetes. The committee asked questions and a discussion followed. The Chair thanked Linyun for his presentations.
<b>3. Pharmacological agents for improving glycaemic control in children and young people with Type 2 Diabetes (continued)</b>
Following a short break, Linyun continued his presentation. The Chair facilitated a committee discussion on the stakeholder comments in relation to the guideline recommendations.
<b>4. Pharmacological agents for improving glycaemic control in children and young people with Type 2 Diabetes (continued)</b>
Following a break, Linyun continued his presentation on the stakeholder comments received. The Chair facilitated further committee discussion.
<b>5. Pharmacological agents for improving glycaemic control in children and young people with Type 2 Diabetes (continued)</b>
The Chair facilitated further committee discussion on the clinical evidence in relation to the guideline recommendations. The Chair thanked Linyun for his presentation and the committee for their questions and contributions.
<b>6. AOB, next steps and summary</b>
Chris Harris, Project Manager provided a brief overview of the next steps and key deadlines.  The Chair then asked the committee and project team if there were any further matters to raise. No further matters were discussed.
<b>7. Meeting close</b>
The Chair thanked the Committee and NICE team. The meeting was brought to a close.
