

Interests Register							
Perioperative Care Advisory Committee 13/05/2020						Publication Date:	
Name	Role with NICE	Type of interest	Description of interest	Relevant dates			Comments
				Interest arose	Interest declared	Interest ceased	
Paul Wallman	Guideline Chair	-	None.	-	-	-	-
Daniel Nevin	Early Committee Member	Direct - financial	As part of NHS role at the Royal London Hospital, performs 1.25 PA's per week working in the High Risk Pre Assessment Perioperative clinic.		Upon application		No action other than the process of open declaration
		Direct - financial	Undertake limited private practice which amounts to occasional (1-2 days per month) anaesthetic lists in the private sector with no fixed regular surgeon – usually on an ad hoc basis when asked to cover for a colleague.		Upon application		Work is on a sessional basis and there is no influence over volumes of patients. Is not in a position to gain from the recommendations within the guideline. No action

							other than the process of open declaration
		Direct non-financial Professional and personal	Publication by ARCTIC Group in March BJA 2018 – paper on CPET looking at inter observer variability. One of the study subjects and asked to interpret CPETs. No further role in the investigation apart from being a participant. Not a member of the investigating group nor involved in the subsequent paper.	March 2018	15/03/2018	March 2018	Non specific No action other than the process of open declaration
Wal Baraza	Surgeon	Direct – non-financial	General Surgery Lead for Enhance Recovery at Wythenshawe Hospital, Manchester University Foundation Trust, August 2016 – present. This is a voluntary and unpaid position.		Upon application		No action other than the process of open declaration
Jason Cross	Perioperative nurse	Direct non-financial	On delegate log for following studies: <ul style="list-style-type: none"> <li>• PQIP (perioperative quality improvement program).</li> <li>• PREVENTT (anaemia / IV iron study).</li> </ul>		Upon application		No action other than the process of open declaration
		Direct non-financial	Advanced Nurse Practitioner, (Proactive care of Older People) POPS team, Guys and St Thomas' NHS Foundation Trust		Upon application		Declare, stay to answer questions and withdraw for decision making on reviews on preoperative optimisation

							clinics for older people.
			<p>Author of the following publications:</p> <ol style="list-style-type: none"> <li>1. Partridge JS, Harari D, Martin FC, Dhesi JK. The impact of pre-operative comprehensive geriatric assessment on postoperative outcomes in older patients undergoing scheduled surgery: a systematic review. <i>Anaesthesia</i> 2014; 69(Suppl 1): 8–16</li> <li>2. Harari D, Hopper A, Dhesi J, Babic-Illman G, Lockwood L, Martin F. Proactive care of older people undergoing surgery ('POPS'): designing, embedding, evaluating and funding a comprehensive geriatric assessment service for older elective surgical patients. <i>Age Ageing</i> 2007; 36: 190–196.</li> <li>3. Partridge JS, Harari D, Martin FC et al. Randomized clinical trial of comprehensive geriatric assessment and optimization in vascular surgery. <i>Br J Surg</i> 2017; 104: 679–87</li> </ol>		Upon application		No action other than the process of open declaration
Sara Dalby	Theatre nurse	Direct – financial	Winston Churchill fellow: awarded the Winston Churchill travelling fellowship (a grant to travel to the USA in 2014). Topic was advanced practice in practice and education.	2014	15/03/18	2014	No action other than the process of open declaration
		Direct – non-	ACP surgery working group and Curriculum writing group- Health Education England.		15/03/18		No action other than the process of

		financial					open declaration
		Direct – non-financial	Improving surgical training and wider workforce and Surgical care practitioner specialist advisory group – Royal College of Surgeons (England). Also was part of the working party for the Curriculum Framework for the Surgical Care Practitioner 2014.		15/03/18		No action other than the process of open declaration
		Direct – non-financial	Secondment with Royal College of Nursing (and also additional project work) on numerous projects.		15/03/18		No action other than the process of open declaration
		Direct – financial	Associate lecturer with ODP team- Edge Hill University. This is a paid role.		15/03/18	December 2018	No action other than the process of open declaration
		Direct – non-financial	Specialist advisor- Care Quality Commission. Unpaid.		15/03/18		No action other than the process of open declaration
		Direct – non-financial	Co-author Rapid series Perioperative practice- Wiley publishers.		15/03/18		No action other than the process of open declaration

		Direct – financial	Regional, national and international presentations on perioperative, nursing and surgical topics at meetings/ conferences. Travel and accommodation expenses only.		15/03/18		No action other than the process of open declaration
		Direct – non-financial	Media work: <ul style="list-style-type: none"> <li>• RCN ‘This is Modern Nursing’ video</li> <li>• Published in the Guardian newspaper and France 24</li> <li>• Interviewed for BBC news and article on BBC online</li> <li>• Multiple videos for RCS (Eng) and part of the ‘A question of balance; the extended surgical team’ case study document.</li> </ul>		15/03/18		No action other than the process of open declaration
		Direct – financial	Secondment (6 months) with NHSi and HEE to support Advanced Clinical Practice agenda. Covering NHS Salary and travel and accommodation costs. Not receiving additional income.	March 2019	13/03/2019		No action other than the process of open declaration
		Direct - financial	One additional day with Edge Hill University examining pre-reg students presenting a change management project. Paid.	22/03/19	22/07/19	22/03/19	No action other than the process of open declaration
		Direct – non-	On the editorial panel for a journal called ‘Surgery’. Travel and potential accommodation costs will be covered but will not be paid for time.	30/08/19	19/09/19		No action other than the

		financial					process of open declaration
Jugdeep Dhesi	Physician specialising in proactive surgery preparation in older people	Direct - financial	Consultant Geriatrician, Guy's and St Thomas' NHS Foundation Trust		Upon application		Declare, stay to answer questions and withdraw for decision making on reviews on preoperative optimisation clinics for older people.
		Direct – non-financial	Local PI on PREVENTT – a multicentre study investigating impact of preoperative iv iron in patients undergoing elective major abdominal and pelvic surgery.		Upon application		Responsible for recruiting patients only.  No action other than the process of open declaration
		Direct – non-financial	Local PI on CAVIAR – a multicentre observational study examining assessment and management of anaemia in elective vascular patients.		Upon application		Responsible for recruiting patients only.  No action other than the process of open declaration

		Direct – non-financial	Local PI in PQIP – a multicentre observational study examining outcomes in major/complex elective surgical patients.		Upon application		Responsible for recruiting patients only.  No action other than the process of open declaration
		Direct – financial	Consultancy fee received for appearing on expert panel regarding the use of preoperative IV iron by Vifor.	01/12/18	20/12/18	14/12/18	Declare, stay to answer questions and withdraw for decision making regarding IV iron.

		Direct – non-financial	Member of RCOA & FPM committee examining response to opioid crisis.	24/01/19	30/01/19	Current	No action other than the process of open declaration
		Direct – non-financial	Had an editorial on management of post-surgical pain accepted for publication in BJA subject to minor changes.		24/04/19		Declare, stay to answer questions and withdraw for decision making for reviews on pain.

		Direct – non-financial	Draft manuscripts submitted to BJA, Anaesthesia and Diabetic Medicine on pain, restoration of function, minimisation of persistent perioperative opioid use, minimisation of opioid-induced ventilatory impairment and reduction of harm from glucose lowering medication.		21/08/19		No action other than the process of open declaration
			Asked to be joint national lead for producing national guidance on perioperative management of diabetes. Official offer letter received.	09/09/19	20/09/19		No action other than the process of open declaration
John Moore	Intensivist with expertise in anaesthesia	Direct – financial	CARE conference: Acute Resp care June 2017. Co-chaired a day for Fischer Paykal and was compensated a fee of £750.		Upon application		No action other than the process of open declaration
		Direct – non-financial	ERAS+ pathway: Published work around the perioperative pathway ERAS+ for major surgery patients which was developed at Manchester Foundation Trust. Currently undertaking a Health Foundation sponsored scale and implementation of the ERAS+ model across Greater Manchester 2018-20. The impact of this will not be known until 2020. Have also developed an ERAS+ APP to support the implementation of the ERAS+ pathway – this is free and non-profit making. This is due to be launched in the next 2 months and will provide support to the Health Foundation project in GM. ERAS+ is promoted through the NHS in role as a National Innovation Accelerator Fellow by NHS		Upon application		No action other than the process of open declaration

			England appointed in November 2016, running until 2019.
